To Whom It May Concern,

I am delighted to recommend Yaser Mansouri for a position at the School of Computer Science, Institute for Research in Fundamental Sciences. I had the privilege of working closely with him during his postdoctoral tenure at University of Adelaide, where he consistently demonstrated an exceptional level of persistence and efficiency. We have closely worked together on a number of projects and I greatly benefited from his contribution.

Yaser approaches every project with a meticulous attention to detail and a drive to deliver results that exceed expectations. Whether faced with tight deadlines or intricate problems, he consistently showcases a rare combination of perseverance and efficiency that sets him apart. It was inspiring to witness his dedication and resourcefulness in action, and he undoubtedly made invaluable contributions to our team's work during his time at University of Adelaide.

Best Regards,
Victor
