Dear Professor,

I am pleased to submit a research proposal entitled "Improving *the performance of post quantum cryptographic algorithms by optimizing arithmetic operations*" to achieve grant from IPM. I have some master/PhD students and also publications in this research area. I am an assistant professor at Bu-Ali Sina University, computer engineering department. My major is computer system architecture.

I look forward to hearing from you at your earliest convenience. If you need more information please contact me.
Thank you for consideration.

Sincerely,
Hatam Abdoli, PhD
